Through attention to detail we will translate a client's needs and objectives into an event that will have a fast, effective and positive impact with your target audience.

ENTERTAINMENT

Bands
DJs
Comedians
Unique Entertainers

The Event Company specialise in the corporate and exclusive private party entertainment section of events. We pride ourselves on years of experience producing exciting and massively successful programmes for a diverse range of events including product launches, drinks receptions, gala dinners, theme parties and a variety of other signature occasions.

After some discussions about requirements and what you would like to achieve we can then advise on what has worked best from past experience. Our experts will guide you through the full process from start to finish whether you want a comedian, band, DJ or unique specialist act or entertainer.

We are committed to the success of your event and will work with you on your event planning, timing and running orders, liaising with artists and technical crew to ensure a smooth running event.

We remove the stress and strain from you so you can sit back, relax and enjoy the party while accepting many words of thanks and praise for all your hard work!

Our entertainment section consists of a range of elements to cater for all corporate and private party entertainment requirements:

- * Unexpected Opera - our own Singing Waiters
- * Live Bands, Swing Bands, Party Bands, Tribute and Theme Acts
- * Cabaret Acts, including Magicians, Comedians, Ventriloquists, Novelty Acts, Dancer Shows, Illusionists, Hypnotists and Circus Performers

The Event Company has an amazing choice of party themes with an impressive creative department who pride themselves on attention to detail and who will transform any room into an amazing spectacle. We regularly create unique and bespoke themes for product launches, major corporate events, exclusive parties and specific client requests.

Our room dressing ideas are consistently fresh and imaginative, tailored to each client's brief and requirements creating unique bespoke party themes for each individual party venue. Each theme is custom built on site allowing the perfect touch to those fine details. We also pay close attention to the entertainment that will best enhance your theme party and have access to the largest database of entertainers in Ireland and abroad.

We recognise that corporate and private clients have varying needs and budgets. They also have various levels of desired participation in the co-ordinating and planning of events, therefore we adapt to these requirements to make each and every event unique and memorable.

We love to surprise, amaze and excite with all our themes and decor to bring the whole event to life. Our bespoke packages, both in Ireland and abroad are constantly aimed at exceeding our client's expectations, often despite last minute budget restraints!
